Patrice Flamer  
CEO/ Co-Founder  
Spirit and Mind Inc.

Dear Ms. Flamer:

On behalf of the Caroline County Commissioners, I am writing to express our strong support for the Project Caroline Youth Hub, an inspiring initiative led by Spirit and Mind Incorporated, a nonprofit founded and operated by Ms. Flamer, a legally blind resident of Caroline County.

The Project Caroline Youth Hub will serve as an invaluable resource for the young people of Caroline County, offering tutoring, mentoring, and educational programs designed to empower youth from all backgrounds. We are confident that this initiative will have a profound impact on both the academic success and personal growth of our young people, providing them with the tools and support they need to thrive in a nurturing and inclusive environment.

Spirit and Mind Incorporated's commitment to mentorship and academic support will create a safe and positive space where youth can grow, learn, and develop crucial life skills. By helping young people overcome obstacles and providing them with guidance, the Youth Hub will play a significant role in shaping our future leaders. This project will be especially meaningful for underserved youth, ensuring that every young person in our community has access to the resources they need to succeed, regardless of their background or circumstances.

The Caroline County Commissioners are committed to supporting initiatives that empower and uplift our youth, and we believe that the Project Caroline Youth Hub will make a meaningful difference in the lives of many young individuals in our community.

We respectfully ask for your full support for this important project and urge you to consider it for inclusion in the upcoming bond bill. Should you need any additional information or have any questions regarding the Project Caroline Youth Hub, please feel free to contact us.

Thank you for your time and attention to this matter. We look forward to the positive impact this project will have on the youth of Caroline County.

Sincerely,

Travis J. Breeding, President  
Caroline County Commissioners
