RE: PIGF-2026-0017

Dear President Breeding:

I am pleased to inform you that your grant application submitted by **County Commissioners of Caroline County**, entitled "**Caroline County PSC- Contingency Management to Enhance Treatment Outcomes**," in the amount of \$118,044.00 has received approval under the PERFORMANCE INCENTIVE GRANT FUND program. Enclosed is the grant award packet containing information and forms necessary to initiate the project.

The grant will fund the program described below:

The Caroline County Problem-Solving Court (CCPSC) and University of Maryland (UMB) "Contingency Management to Enhance Treatment Outcomes" program will implement a novel contingency management (CM) intervention to engage and retain people referred for problem-solving court in Caroline County, MD. The aim of PSC is to reduce substance use and related criminal activity while holding offenders accountable by providing comprehensive, Court-supervised treatment. CM is an evidence-based behavioral intervention that significantly decreases drug use that would greatly benefit a criminal justice-involved patient population. Program funds will be used to support personnel (a peer recovery specialist) and two contracts.

Please pay particular attention to the instructions included on the grant award. It is important that you **carefully review all Special Conditions** attached to this award. Additionally, the General Conditions for all grant awards issued by our office are also located online, at www.goccp.maryland.gov. The chief elected official, or another legally authorized official of the jurisdiction, state agency, or 501(c)(3) receiving the grant award, must sign the original Grant Award & Acceptance Form, initial each page of the Special Conditions document, and upload them in the Grants Management System within **twenty-one (21) calendar days**. Should the acceptance form not be received, requests for reimbursement will not be honored.

A copy of the grant award, Notification of Project Commencement, and individual project reports has also been sent to the project director. The project director is responsible for completing these and other required forms now and at the end of each reporting period. If the project director changes, we must be notified immediately to avoid potential reporting problems.

Projects may commence as soon as the grant award is signed and you have reviewed and accepted all of the General and Special Conditions. No funds may be encumbered or expended prior to this time without the specific written approval of the Governor's Office of Crime Prevention and Policy.

If you have any questions or need any clarification regarding this grant award, please contact **Kyah Edwards**, your program manager, or **Genevra Farrare**, fiscal specialist. We look forward to working with you on this project and anticipate its success in helping to address criminal justice problems in our state.

Sincerely,

Note: If the project will not commence within 45 calendar days of the start of the period of performance, the subrecipient must submit a General Grant Adjustment Notice (GAN) in the GMS for review and approval. Please note that a delay in the project start date does not impact the end date.

To submit this information, subrecipients must initiate a Budget GAN in the GMS. The GAN should include all event logistics, as well as any adjustments to costs, fees, and rates with appropriate justification.

All expenditures paid with funds from the Office must supplement, not supplant, the subrecipient's existing budget. Any line item supported with grant funds must represent an enhancement to current services or resources and may not replace costs that were already included in the organization's approved or anticipated budget.

Failure to submit any required report within the specified timeframes outlined above, or within an approved extension, may result in delayed or denied reimbursement, and/or the de-obligation of grant funds. If a report is submitted late, any associated expenditures or obligations may become the sole responsibility of the subrecipient and may not be reimbursed by the Office.

29 Holding Funds

In accordance with Office policy, the release of funds will be withheld until the subrecipient is current with all required report submissions, has provided all necessary documentation, and has resolved any outstanding issues.

30 Monitoring Expenditures

To verify the appropriateness of all grant-related expenditures, the Office will monitor the use of grant funds as reported by subrecipients. Supporting documentation must be maintained on-site, be readily accessible upon request, and correspond with required quarterly and/or monthly reporting. Subrecipients are responsible for maintaining records in a manner that demonstrates compliance with the terms of this subaward and all applicable regulations.

The Office, the funding source agencies, the Office of Legislative Audits, or any other authorized State or federal representatives must be granted access to all documents, records, and other materials relevant to the award for the purpose of conducting audits, reviews, examinations, or producing transcripts.

34 Civil Rights Federal Reporting Requirements

Recipients and subrecipients of federal financial assistance through OJP are subject to federal civil rights laws prohibiting discrimination based on race, color, national origin, sex, religion, disability, and other protected classes.

To assist recipients in meeting their Equal Employment Opportunity Plan (EEOP) obligations under the Safe Streets Act—including awards authorized by VAWA, VOCA, or JJDP—the U.S. Department of Justice, Office for Civil Rights (OCR), provides an online EEOP Reporting Tool which is accessible at: <https://ojp.gov/about/ocr/eeop.htm>.

Instructions for Compliance:

- New users must register for an account.
- Before registering or completing the EEOP, new users must know the grant source and award year. The grant number (e.g., VOCA-2017-XXXX) is located in the award packet and indicates the grant program and year.

2. Include the following email address as a copy (CC): dlcivilrightscompliance_goccp@maryland.gov

Additionally, subrecipients must submit the required Certification of Applicable Financial Reporting Requirements, which is accessible at: <https://gocpp.maryland.gov/wp-content/uploads/certification-of-applicable-financial-reporting-requirements-form.pdf>.

Throughout the entire period of this grant, the subrecipient must maintain a current registration at the federal System for Award Management website, SAM.gov, and the valid Unique Entity ID (UEI) that is associated with the SAM.gov registration. If the SAM.gov registration expires during the life of the grant, the subrecipient will not be able to draw down grant funds until the SAM.gov registration and the UEI have been reactivated.

A UEI is a universal identifier of entities that receive federal funds. The UEI facilitates the verification of an entity's good standing and the tracking of federal funds received by the entity. Information about the SAM.gov and its registration procedures can be found at www.SAM.gov.

3 GOCPP support must be noted in any press releases, brochures, printed materials, and/or RFPs related to this subaward.

4 If the recipient currently has other active awards (federal or state), or if the recipient receives any other award during the period of performance for this award, the recipient promptly must determine whether funds from any of those other awards have been, are being, or are to be used (in whole or in part) for one or more of the identical cost items for which funds are provided under this awards. If so, the recipient must promptly notify GOCPP in writing of the potential duplication, and, if so requested by the awarding agency, must seek a budget-modification or change-of-project-scope Grant Award Notification (GAN) to eliminate any inappropriate duplication of funding.

5 This subaward is subject to the Special Conditions contained in your award packet and General Conditions (Post Award Instructions) referenced on the Office website, as accepted by the Authorized Official on the official Award Acceptance document. The GOCPP(Office) retains the right to add Special Conditions, if and when needed, during the award period of performance. Financial reports will not be processed unless Programmatic Reports are in "submitted" status in the GMS.

The FINAL Financial Report must be submitted no later than 30 calendar days from the End Date of this sub-award.

If the initial 30 calendar day submission is not your actual FINAL report, send an email to the Fiscal Specialist so that the GMS can be noted.

Submission of a "Not Final" report will require a "Final/Revised" report to be submitted no later than 60 calendar days after the End Date of the sub-award. Revised reports may only be submitted if an initial 30 calendar day report was submitted as required. ALL Final financials must be submitted within the 60 days or GOCPP reserves the right to complete an administrative closeout on this grant award and de-obligate all remaining funds.

Revisions are a manual process that requires hand written corrections on a copy of the previously submitted 30 day report, with the word "FINAL" written in red ink.
