_____ (ft.) (miles) (N) (E) (S) (W) of _____ Road

Subdivision _____ Section _____ Block _____ Lot(s) _____

Tax Map No. _____, Parcel No. _____ Date Entrance Staked _____

Type of Entrance: Residential _____ Commercial _____ Other _____

The applicant hereby certifies and agrees to the following conditions:

1. Applicant shall mark the center of the proposed driveway with a stake providing applicant's name or entrance permit number in a location visible from the road.
2. Permittee is the owner or duly authorized agent of the owner to make this application, has read all of the information set forth, and that the same is correct.
3. That the permit, if issued, may be declared void should said information be incorrect.
4. Permittee must supply a minimum of 24' or a maximum of 60' of approved pipe for entrance and have it delivered to the above referenced address.
5. Permittee must notify the Public Works office when pipe has been delivered.
6. Permittee must contact the Public Works office prior to connecting driveway pavement to any county road.
7. Permittee will be responsible for any damages to pipe during construction and will be required to have a new pipe installed should damages occur during construction.
8. Entrance pipe location must be located five (5) feet from the side yard property line and must not conflict with any existing utilities including, telephone, electric, water and sewer utilities. Permittee is responsible for location of existing utilities and any relocation of such utilities if required. Caroline County reserves the right to adjust entrance pipe locations based on site conditions which serve in the best interest of the roadway systems.
